

A blue and black tent, likely a pop-up or instant tent, is shown against a white background. The tent is partially set up, with the blue outer flysheet visible over a black inner tent. The text "Rover 2.0 DX" is printed in white on the blue flysheet. The tent has several black mesh windows and a black door. A black rope is attached to the top of the tent. The tent is positioned at an angle, showing its three-dimensional structure.
